

REMARKS

Claims 1 to 20 are currently pending. Claims 1 to 20 are the subject of an election requirement under 35 U.S.C. 121.

Applicant hereby elects species 3, as disclosed in Figures 10 to 12, without traverse. However, Applicant believes claims 9 and 17 should be grouped in with species 3, as the device 400 includes a reflective element 405, and wherein the first lens and the second lens are made up of different parts of the same lens 406.

Claims 4 and 6 are hereby withdrawn, as being drawn to the specific structures of species 1 or 2.

As such, it is respectfully submitted that all of the claims remaining in the application are in condition for allowance. Early and favorable consideration would be appreciated.

Should any minor informalities need to be addressed, the Examiner is encouraged to contact the undersigned attorney at the telephone number listed below.

Please charge any shortage in fees due in connection with the filing of this paper, including Extension of Time fees, to Deposit Account No. 50-1465 and please credit any excess fees to such deposit account.

The Commissioner is hereby authorized to charge any fees which may be required, or credit any overpayment, to deposit Account No: 50-1465.

Respectfully,

Doug MacLean
